Dear Sir:

STATINTL

The West Point Russian Club would like to express the appreciation of its members for the lecture on the structure of the Central Intelligence Agency given by Mrs. [REDACTED]. Furthermore, we would like to express our thanks for the seminar held with the Russian Club on current Soviet trends within the world.

The reactions received were extremely favorable and we would be interested in returning again next year. With this in mind, all coordination will be handled by Cadet Mark Jaworski, Company A-3, (914-938-3236), next year's Club President.

Once again, thank you.

Sincerely,

Douglas A. Boone

STATINTL

Dear Mr. [REDACTED]

On behalf of the cadets and Officers-in-Charge of the German, French, Chinese, and Russian Language Clubs of the US Military Academy, I wish to express my sincere thanks to you for the arrangements you made permitting the cadet members of these clubs to meet with and listen to presentations by senior officials of the CIA. LTC Jew, Majors Duerr, Rauter and Wielkoszewski, and CPT Beraud have informed me that the cadet response to the briefings and discussions was highly enthusiastic.

STATINTL

STATINTL

The presentation by Ms. [REDACTED], Director of the Office of Political Analysis, was notable especially, I am told, for its candor and forthright discussion of the history, role and function of the CIA. [REDACTED] briefing, together with the information packets, made available to each cadet a wealth of information about an agency concerning which most cadets knew very little before their visit.

STATINTL

The briefing by Ms. [REDACTED] of the Office of Political Analysis concerning domestic and foreign policy developments in France and Germany demonstrated to the cadets of the German and French Clubs the breadth and depth of CIA's political analysis of Western European nations and the importance to the US government of detailed study of the language, culture and political organization of foreign nations.

STATINTL

STATINTL

Discussions by Mr. [REDACTED] with the Chinese Club and by Mr. [REDACTED] with the Russian Club evoked laudatory comments from

cadets and Officers-in-Charge alike. The opportunity to pose questions, to listen to analyses by CIA's expert observers of the Chinese and Soviet scenes, and to consider some of the international issues with which CIA must deal, became for each cadet participant an opportunity to expand one's horizons and broaden one's knowledge of foreign affairs.

Cadet interest in the entire subject of intelligence, its role in the formulation of national policy and in the nation's decision-making processes was reflected by the number and variety of questions the cadets raised following each presentation. Even after their departure from CIA Headquarters, the cadets continued to reflect upon and discuss among themselves the implications of political analysis and intelligence processing.

STATINTL

The visit by the USMA Foreign Language Clubs to CIA Headquarters was in fact a highlight of the clubs' annual visit to Washington. Please convey my sincere gratitude to Ms. [REDACTED]

Dear Sir:

The French Language Club of the United States Military Academy is planning its trip to Washington, D. C., during the period of 26-29 April 1979.

If at all possible, our cadets would like to visit the CIA and hear a short briefing on your operations in general and on your activities relating to France in particular.

The best time for such a visit would be in the afternoon of 27 April. We will, of course, adjust to meet your availability. The group will be composed of approximately 45 cadets, accompanied by the officer in charge of the French Language Club.

I am in the process of confirming clearances, and will have our security office send you a complete roster as soon as you tell whether you can accomodate us during the period indicated.

We look forward to hearing from you, and hope that such a visit will be possible, thus providing the cadets with a very rewarding experience.

Sincerely,

485

Dear Mr [REDACTED]

The enclosed roster contains the data you requested on all those members of the US Military Academy's German Language Club eligible to take part in the club's annual Washington trip, which this year will include a visit to CIA on Friday 27 April 79, from 1330 to 1530.

All the cadets and the two officers listed on the roster hold clearances for SECRET. We are currently verifying these clearances and a separate roster will reach you through channels as soon as the verification process is completed.

Unless the "foreign flag" (an "F" in the righthand column) appears, all cadets listed are US citizens. Many were born overseas to parents who are US citizens and who were abroad at the time of the cadet's birth. The one foreign national listed probably will not take part in the trip at all.

Thank you for your cooperation in making our visit possible. Our cadets are looking forward to the Washington trip and to the visit to CIA in particular.

Sincerely,

Dear Mr. ██████████

On April 27, 1979, Friday, approximately 30 cadets of the Chinese Language Club will be in Washington, D.C. At that time we will be visiting various agencies of the U.S. Government.

In recent years, your agency has been able to provide our group with informative lectures on the current developments of Asian affairs. Last years talk by senior China analyst ██████████ was well received.

STATINTL

I hope that we may again coordinate such a program for April 27, 1979, Friday. With the recent strengthening of U.S. - Chinese relations and the China - Viet Nam border tension, I am sure such a lecture would prove very informative for our club members.

If you have any questions, please contact me at 914-938-3269. We are looking forward to your reply.

Sincerely,

Soot M. Jew

Dear Mr. Boone:

I am writing this note as a follow-up to your letter of 3 November 1978 and our subsequent telephone conversation. A briefing on the USSR: Problems and Prospects, followed by a question and answer period, is being arranged for 27 April 1979 from 1:30 to 3:00. In order to finalize arrangements, I will need the names and Social Security numbers of all people in your group, both cadets and instructors, within the next few weeks.

In addition, I would appreciate it if you could find out if any other student group is planning to visit the Central Intelligence Agency this spring. If they do, please have them write or phone me (703-351-7848) as soon as possible.

Looking forward to hosting your group.

Dear Sir:

About 40 members of the Russian Language Club at the United States Military Academy are planning a visit to Washington, D. C. during 26-29 April 1979. After receiving so many favorable comments regarding last year's visit to the CIA, I would like to inquire as to the possibility of a similar presentation this year. Everyone in our group possesses a secret security clearance. We are particularly interested in social, economic and political conditions within the USSR.

I am eager to receive your reply and hope that we will have a worthwhile visit.

Sincerely yours,
